

A Festival of Health & Wellness

09th - 12th November 2022 @ The Avenues Bahrain

A Public Campaign to Promote Health & Wellness

Healthy Living has become the mantra of the new Millennium as people become conscious about their health. In the 21st century this also means attention being paid to our [personal psyche](#) and [mental wellbeing](#) as part of this health consciousness.

Health Matters will be a festival promoting health and wellbeing awareness directly to the public by [providing a platform for people to experience products and services](#). The Health Matters platform, in person and virtually, will look at the impact of health and welfare in all aspects.

Health Matters will be part of a commitment to [promote greater awareness of the pursuit of health and wellbeing](#) in the Kingdom of Bahrain.
